

Japan Pavilion Side Event at the COP19 in Warsaw, Poland

“Transfer of Low Carbon Technologies through the Joint Crediting Mechanism (JCM) ”

Date: Wednesday, 13 November 2013

Time: 10:00 – 11:30

Venue: Japan Pavilion

The event introduces recent efforts to promote the transfer of technologies implemented as part of the MOEJ programme for the Joint Crediting Mechanism (JCM). The discussion includes how technology needs surveys are conducted in selected sectors in developing countries, and how matchmaking with the private sector is conducted for developing JCM projects.
