-- Kenya: Introduction of Solar PV System at Salt Factory [Pacific Consultants Co., Ltd.] --

Pleasant nature, abundance of sunlight, clean air. By taking advantage of this rich natural environment, one of East Africa's largest Solar PV system (1MW) has been introduced as a JCM model project in a salt production plant owned by Krystalline Salt Limited in Malindi, the Southeastern Kenya.

Compared to the combination of conventional grid power system and private diesel generators, energy saving and reduction of CO2 emissions are realized by...
