

Development of Projects: Tips Gained through the JCM Experience

Date 11 July 2018, Wednesday

Time 13:00-14:00

Venue Meeting Room Virgo 1

To trigger project implementation towards enhancing NDC's level of ambition, what kind of aspects should we take into account in project design? Tips gained through the JCM experience will be shared by stakeholders of the JCM project and government officials from JCM partner countries.

Agenda

Facilitator :

Ms. Yuriko Koyanagi, Researcher, Overseas Environmental Cooperation Center, Japan (OECC)

Framing Presentation

The OECC has provided consultation support for project development in 9 countries (namely Mongolia, Bangladesh, Viet Nam, Laos, Indonesia, Cambodia, Myanmar, Thailand and the Philippines) and 7 projects have started operation. An OECC researcher will share tips for project design inspired by JCM projects' formulation in Bangladesh, Mongolia and Vietnam. Presentation covers JCM project development in accordance with national-level actions, which contributes to Art.6.2 of the Paris Agreement at the same time.

Mr. Masayoshi Futami

Senior Researcher, OECC

Panel Discussion: Efficient and Effective Achievement of NDCs

Government officials from JCM partner countries and a leading researcher who has supported MRV design for the JCM will discuss the current status, progresses and expectations in implementation of the JCM from the perspectives of efficient and effective achievement of NDCs. How do we scale up emissions reduction amongst JCM partner countries?

Mrs. Prasertsuk Chamornmarn

Executive Director, Thailand Greenhouse Gas Management Organization (TGO)

Mr. Albert Megalang

Head, Climate Change Office, Environmental Management Bureau, the Philippines

Dr. Yuji Mizuno

Director for Climate and Energy Area, IGES
