◆1. New posting on Facebook and IISD SDG Knowledge Hub-----

[1] How the Joint Crediting Mechanism Can Contribute to NDCs Implementation and SDG Achievement

An article introducing JCM's contribution to NDCs implementation and SDGs achievement is now available on the IISD SDG Knowledge Hub.

The MOEJ and OECC, together with Mongolia's Ministry of Environment and Tourism, will organize a side event at the 25th session of the Conference of the Parties (COP 25) to the UNFCCC in Santiago, Chile, to share and discuss the latest progress of the JCM highlighting co-benefits for sustainable development.

The article is also available at the IISD SDG Knowledge Hub: <http://sdg.iisd.org/commentary/guest-articles/how-the-joint-crediting-mechanism-can-contribute-to-ndcs-implementation-and-sdg-achievement/>

◆2. Announcement-----

[1] Registration for JCM Workshop in Bangladesh, Dhaka is now open!

The Institute for Global Environmental Strategies (IGES) and Department of Environment (DoE), Bangladesh will jointly organise a workshop on the JCM on 15 October 2019 in Bangladesh, Dhaka. It aims to disseminate the updated information on the JCM and facilitate business matchmaking for JCM projects by inviting Japanese companies, business associations, local private companies and relevant government agencies. The business matchmaking can provide opportunities for interactions between Japanese and Bangladeshi companies. Registration for the workshop is now open!

▼Click the link to register the workshop

[https://docs.google.com/forms/d/e/1FAIpQLSdeZ0QIHkxFA3tZTIhoVjOFUfb1gsVGt4VmYaSKNZ6bxpDOQ/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSdeZ0QIHkxFA3tZTIhoVjOFUfb1gsVGt4VmYaSKNZ6bxpDOQ/viewform?usp=sf_link)

For facilitating matchmaking and fruitful discussions, all the participants are required to be registered on the JCM Global Match in advance.

<https://gec.force.com/JCMGlobalMatch/s/registration>

JCM Global Match was launched in July 2019 to connect “sellers” and “buyers” of low-and zero-carbon technologies. Users can find and make appointments to meet with potential project partners at JCM seminars. The platform is also open to consulting firms and financial companies. Registration is free of charge.

[2] Call for public comments on JCM proposed methodology "Energy Saving by Introduction of High Efficiency Once-through Boiler and Installation of Economizer into Existing Boiler" (Thailand) (2 to 16 October 2019) has been started.

The information on recent development in Thailand is available at:

<https://www.carbon-markets.go.jp/eng/jcm/initiatives/thailand.html>

[3] Call for public inputs on JCM proposed methodologies "Introduction of Non-Inverter Type High Efficiency Centrifugal Chiller", "Energy Saving by Introduction of High Efficiency Boiler", "Energy Saving by Introduction of High-efficiency Inverter Type Multi-Stage Oil-Free Air Compressor" and "Energy Saving by Introduction of High Efficiency Screw Chiller(s)" (Viet Nam) (3 to 17 October 2019) has been started.

The information on recent development in Viet Nam is available at:

<https://www.carbon-markets.go.jp/eng/jcm/initiatives/vietnam.html>

[4] Call for public inputs on JCM proposed methodology "Installation of inverters to distribution pumps in water treatment plant" (Cambodia) (8 to 22 October 2019) has been started.

[5] Call for public inputs on a proposed JCM project "Introduction of High Efficiency LED Lighting Utilizing Wireless Network" (Cambodia) (8 October to 6 November 2019) has been

started.

The information on recent development in Cambodia is available at:

<https://www.carbon-markets.go.jp/eng/jcm/initiatives/cambodia.html>

[6] The Joint Committee adopted the decision on a proposed JCM project in line with the decision at the 3rd meeting of the Joint Committee.

◆3. Related News -----

[1] Result of Seminar on the JCM Implementation in Thailand (GEC)

The Ministry of the Environment, Japan (MOEJ) and the Global Environment Centre Foundation (GEC) in collaboration with Ministry of Natural Resources and Environment of Thailand (MONRE), Thailand Greenhouse Gas Management Organization (TGO) jointly organized “Seminar on the Joint Crediting Mechanism (JCM) Implementation in Thailand – Accelerating Promotion of Environmental Infrastructure through JCM -” on 12 September 2019 in Bangkok, Thailand.

In this seminar, government officials and representatives of related organizations from both countries explained the overview of the Financing Programme for JCM Model Projects and its progress in Thailand and introduced newly developed web platform “JCM Global Match”, and TGO made a presentation about the status of JCM implementation and issue of credits in Thailand. Asian Development Bank (ADB) introduced Japan Fund for JCM (JFJCM). In addition, companies from both countries shared the good practices of JCM model projects in Thailand and the neighboring country and Thai companies introduced their activities for reduction of GHG emissions.

Outcome Report by GEC is available at:
