What is JCM Global Match?

JCM Global Match is a match-making website, which was established to encourage project development for diffusion of advanced low- and zero-carbon technologies in the 17 Joint Crediting Mechanism (JCM) partner countries. We charge no fee for this platform.

JCM Global Match: <https://gec.force.com/JCMGlobalMatch/>

☆Registrants as of March 2020☆

-300+ registered

-100+ matchings (*1) between Japanese entities and those of partner countries

(*1) "Matchings" enable users to communicate directly via Email with other users.

☆A good example of a project developed through the JCM Global Match☆

<A selection of JCM projects in 2019>

Project Name: "Chile/ 3MW Solar Power Project in Chillan, Nuble Region"

Representative participant: FARMLAND Co., Ltd.

Partner participant: Land and Sea SpA, Farmdo Energy Chile SpA

【Summary】

A consulting company, Nippon Koei, and a partner participant, Land and Sea SpA, found each other as a match on the platform. They had a face-to-face meeting when a JCM seminar (*2) was held in Chile, and after additional discussions, they created and submitted an application together, which was selected as one of the JCM projects in 2019.

(*2) JCM Global Match offers you a meeting-reservation function for JCM seminars in partner countries.

Please go register JCM Global Match and make the most of your business opportunity!
