◆2. Events/Seminar -----

[1] [Result] UNFCCC COP28 JCM side event at Japan Pavilion (3rd Dec. 2023)

Date and Time:

3rd Dec. 2023, 14:45-16:00 (19:45~21:00 Japan time)

Style: Hybrid (In-person, online)

Venue: (In-person) Japan Pavilion at COP28 in Dubai, UAE, (Online) Zoom

Organizers: Ministry of the Environment, Japan (MOEJ), Overseas Environmental Cooperation Centre (OECC)

Overview:

The JCM has been promoting diffusion of decarbonizing technologies since its start in 2013. Currently, the number of JCM partner countries have reached 28 and the number of selected JCM Model Projects have reached over 230. This side event shared latest updates of the JCM including related policies in Japan and partner countries and discussed challenges and cooperations for promoting the JCM and implementing Article 6 of the Paris Agreement. In particular, the increasing the climate ambitions of Japan and partner countries by the bilateral cooperations under the JCM, and with the increasing interest in the carbon market in recent years, expectations for the promotion and expansion of the JCM including expanding target sectors and project scale, introducing new decarbonization technologies were expressed.
