◆2. News Release from Government of Japan -----

[1] MOE Selects 3 Projects for the third round of the FY2024 City-to-City Collaboration Program to Support the Decarbonization Efforts by Overseas Subnational Governments (MOEJ)

The Ministry of the Environment (MOE), Japan, has been conducting the City-to-City Collaboration Program to support the decarbonization efforts by subnational governments in developing countries by utilizing Japanese subnational governments' knowledge, experiences and technologies, in order to contribute to the further promotion of decarbonization in cities in developing countries. MOE called for applications for the third round of the FY2024 City-to-City Collaboration Program and selected 3 projects.

◆3. Events/Seminar -----

[1] [Announcement] Exhibition at I4C 2024 in Berlin, Germany (10-12 Sep. 2024) (OECC)
Innovate4Climate (I4C) is the World Bank's annual global conference on carbon pricing and carbon markets. Stakeholders from the public and private sectors participate in the conference to drive climate action in finance, markets, policy, and technology. I4C's program consists of plenary sessions with high-level participants, workshops to share and discuss practical solutions and marketplace to introduce cutting-edge technologies and solutions. Carbon Markets Express / Overseas Environmental Cooperation Center, Japan (OECC) will join the conference as one of exhibitors in the marketplace to share recent updates of the Joint Crediting Mechanism (JCM).

▼Overview of Webinar

-Date: 10-12 Sep. 2024

-Venue: The Estrel Congress Center (Berlin, Germany)

-Organizers: World Bank
