-- Announcement of UNFCCC COP20 & CMP10 Side Event in Lima, Peru
"Actions for low carbon development in developing countries through the Joint Crediting Mechanism"--

We are delighted to inform you that the Global Environment Centre Foundation (GEC) and the Overseas Environmental Cooperation Center, Japan (OECC) are hosting an exhibition booth and a side event at UNFCCC COP20/CMP10 in Lima, Peru with a support from the Ministry of the Environment, Japan (MOEJ). The exhibition booth and side event will offer excellent opportunities to gather updated information regarding the Joint Crediting Mechanisms (JCM).

Exhibition Booth

Date: Mon 1st – Fri 12th Dec, 2014

Venue: Booth #13

The latest information is provided on the support programs of the Ministry of the Environment, Japan for mitigation of climate change in developing countries, especially on the Joint Crediting Mechanism.

Side Event

Title: Actions for low carbon development in developing countries through the Joint Crediting Mechanism

Date: Monday, 8 December 2014 (15:00-16:30)

Venue: Maranga

The side event hosts key speakers from JCM partner countries, namely, Cambodia, Indonesia, Lao PDR, Mongolia, Palau and Vietnam, for sharing information regarding the progress made in the implementation of the JCM in these partner countries.

Side event agenda is available at:
