-- Reminder: UNFCCC Official Side Events hosted by GEC/OECC (JCM updates)--

The Global Environment Centre Foundation (GEC) and the Overseas Environmental Cooperation Center, Japan (OECC) are hosting the UNFCCC official side event with a support from the Ministry of the Environment, Japan (MOEJ) today. The side event will offer excellent opportunities to gather updated information regarding the Joint Crediting Mechanisms (JCM).

This side event has been selected as part of the "Pre-2020 Action Fair", organized by the UNFCCC, following a request from the ADP, to showcase technical expert meetings in areas such as cross-cutting support for action.

Title: Actions for low carbon development in developing countries through the Joint Crediting Mechanism

Date: Monday, 8 December 2014 (15:00-16:30)

Venue: Maranga

The side event hosts key speakers from JCM partner countries, namely, Cambodia, Indonesia, Lao PDR, Mongolia, Palau and Vietnam, for sharing information regarding the progress made in the implementation of the JCM in these partner countries.

The agenda is available at:
