- = Events: International Forum for Sustainable Asia and the Pacific (ISAP2015) (Organizer: IGES)

-- Call for public inputs on JCM proposed methodologies (Viet Nam) --

Call for public inputs on JCM proposed methodologies (Viet Nam) "Anaerobic digestion of organic waste for biogas utilization within wholesale markets" and "Installation of energy efficient transformers in a power distribution grid" (16 to 30 July 2015) has been started.

The information on proposed methodologies is available at:

<http://www.mmechanisms.org/e/initiatives/methodology.html#proposed>

-- Updated: List of JCM Projects and Studies --

Reports for each study have been linked to the database. Furthermore, 18 projects adopted under JCM Financing Programme for the JCM Model Projects have been added to FY2015 database.

List of JCM Projects and Studies is available at:

<http://www.mmechanisms.org/e/support/adoption.html>

-- Events: International Forum for Sustainable Asia and the Pacific (ISAP2015) (Organizer:

IGES) –

IGES will organise International Forum for Sustainable Asia and the Pacific (ISAP2015) on 28-29 July 2015 at Yokohama, Japan. The ISAP is a two-day forum, held once a year with a timely theme, to promote diverse discussions on sustainable development in Asia and the Pacific. It also aims to provide opportunities to boost information-sharing and strengthen collaborative efforts with front-line experts and diverse stakeholders from international organisations, governments, business and NGOs, drawing upon the international/regional networks in which IGES plays an important role.

Closing date of online registration is 17 July 2015.

Online registration is available at:

<http://www.iges.or.jp/isap/2015/en/about.html>
